

Central Transport, one of the nation's most technologically advanced less-than-truckload (LTL) carriers, announces second Carrier of the Year Award.

Recently, Central Transport announced they had been selected as Sally Beauty Holdings Inc. Columbus, Ohio Replenishment Center's Outbound Carrier of the Year for 2017. This is not the first time the Company has been selected for this honor – the award was also received in 2016 and 2008.

Today, the carrier announced receiving the 2017 Carrier of the Year award from the Jacksonville, FL Sally Beauty Holdings location as well.

Sally Beauty's Carrier of the Year selection is based on commitment to building solid partnerships, excellent customer service and best-in-class service reliability.

Through its piece-level freight scanning system and implementation of Next Day Hubs for network enhancement. Central Transport operators and Supply Chain Management teams are able to actively monitor shipments and provide the highest levels of service reliability.

*About Central Transport - Central Transport is a privately owned full-service asset-based, transportation provider offering supply chain solutions across North America. Central Transport provides regional, inter-regional and long-haul LTL (less-than-truckload) services, cross-docking, consolidation and pool distribution services, as well as customized value-added supply chain services. Central Transport is based in suburban Detroit and is a Forbes 500 private company.*
