Program Rules

- 1 This program is not subject to alteration with rates that may be provided in any other tariff or agreement.
- 2 Actual pallet count must be noted on Bill of Lading in the left hand column instead of the total loose pieces. The actual piece count can be written elsewhere on the B/L.
- 3 The number of pallets tendered or received by a single location will be totaled daily to determine the proper rating of shipments (i.e. pallet rates or CT Dyno class rates).
- 4 Pallet pricing applies on palletized dock-to-dock shipments only. For the purposes of this program, "pallet" will be defined as any type of handling unit which has been designed to be handled by a standard fork lift. Freight must be enclosed in protective packaging and secured to the pallet.
- 5 If pallet count is not indicated on the B/L and/or if shipment is outside the Pallet Program rules or territory, Central Transport Dyno class rates and rules will apply with a 80% discount, subject to a minimum charge of \$98.50 US Domestic; \$149.00 International and \$199.00 Jointline US and \$249.00 Jointline US-Canada.
- 6 Pallet rates apply to pallets not exceeding 50" (L) x 50" (W) x 60" (H)* (height inclusive of pallet) in any dimension. If pallet exceeds 50"x50"x60" in any dimension, each pallet will be billed and charged at 150% of the otherwise applicable "per pallet" rate. However, if a shipment is moving in next day lanes or 2nd day lanes, there will be no height restriction. If a shipment contains any pallets with any dimension exceeding 96", the entire shipment will be subject to standard LTL rates and rules and will not be accepted under the Pallet Program. Shipments of Household Goods (NMFC 100200) which exceed maximum pallet dimensions of 50" (L) x 50" (W) x 60" (H) (height inclusive of pallet) will also be subject to Central Transport 100 (series) Rules Tariff, Item 395.
- 7 Maximum pallet weight is 3,000 pounds. If the weight of a pallet exceeds 3,000 pounds, the overweight charge will be rated at \$15.00 per hundred weight. When shipment consists of more than one pallet and the weight of each pallet is not shown on the B/L, the method for determining average weight per pallet shall be to divide the total weight of the shipment by the number of pallets to get the average weight per pallet.
- 8 Pallet rates will apply on individual shipments consisting of 1-8 pallets. Each individual pallet above 8 on a single shipment will be rated at 400% of the applicable Pallet Rate. For example, if a shipper tenders 12 pallets on a single shipment, shipper will be invoiced for 8 pallets at the applicable rate and for 4 pallets at 400% of the applicable pallet rate.
- 9 Any individual shipment with a TOTAL WEIGHT OF 20,000 POUNDS OR MORE or OCCUPYING MORE THAN 20 LINEAL FEET OR MORE will be subject to Central Transport 100 (SERIES) ITEM 385 and rated at \$2.50 per mile plus Central Transport Truckload fuel. For rates on shipments of more than 20 lineal feet, or 20,000 pounds or more, please call our Volume Quotes Department at 586/467-1900.
- 10 Carrier's liability for cargo loss and damage will be equal to the actual value not to exceed \$1.00 (US Funds) per pound per piece subject to a maximum of \$2,500 (US Funds) per shipment for U.S. origin shipments and not to exceed \$1.00 (Canadian Funds) per pound per piece subject to a maximum of \$2,500 (Canadian Funds) per shipment for Intra Canadian shipments.
- 11 Pallet rated shipments will be subject to all rules and accessorial charges contained in Central Transport 100 (series) Rules Tariff (including, but not limited to, COD Fees, inside delivery, lift gate charges, fuel surcharge, appointment, etc) with the exception that Items 395 Household Goods (except as noted) and 611 Cubic Capacity, 647 Notify and 890 Single Shipment of Central Transport 100 (series) Rules Tariff are not applicable to "per pallet" rated shipments.
- 12 Pallet Rates and charges apply to outbound prepaid, inbound collect and third party shipments for which the accredited participant is responsible for the freight charges. Rates and Charges apply between Central Transport Direct Service Points. However, the origin state or province must be a state or province included in the Pallet Program. This program does not apply to outbound collect shipments or Blind Shipments. Inbound rates are listed by the applicable Origin State.
- 13 Terms & conditions and prices subject to revision and future rate increases without notice.

- See www.gocentraltransport.com for a listing of Central Transport 100 Series Rules and Direct Service Points.
