## CTII PALLET PROGRAM '10

### Program Rules

- 1 This program is not subject to alternation with rates that may be provided in any other tariff or agreement.
- 2 Actual pallet count must be noted on Bill of Lading in the left hand column instead of the total loose pieces. The actual piece count can be written elsewhere on the B/L.
- 3 The number of pallets tendered or received by a single location (whether rated under Pallet Program or not) will be totaled daily to determine the proper rating of shipments (I.e. single pallet or multiple pallet pick-up or delivery). Inbound collect shipments and outbound prepaid shipments will be aggregated separately.
- 4 Pallet pricing applies on palletized dock-to-dock shipments only. For the purposes of this program, "pallet" will be defined as any type of handling unit which has been designed to be handled by a standard fork lift. Freight must be enclosed in protective packaging and secured to the pallet.
- 5 If pallet count is not indicated on the B/L and/or if shipment is outside the Pallet Program rules or territory, CTII Dyno class rates and rules will apply with a 70% discount, subject to a minimum charge of \$85.00 US Domestic; \$149.00 International and \$199.00 Jointline US and \$249.00 Jointline US-Canada.
- 6 Pallet rates apply to pallets not exceeding 48" (L) x 48" (W) x 54" (H)\* (height inclusive of pallet) in any dimension. If pallet exceeds 48"x48"x54" in any dimension, each pallet will be billed and charged at 175% of the otherwise applicable "per pallet" rate.  
If a shipment contains any pallets with any dimension exceeding 96", the entire shipment will be subject to standard LTL rates and rules and will not be accepted under the Pallet Program. Shipments of Household Goods (NMFC 100200) which exceed maximum pallet dimensions of 48" (L) x 48" (W) x 54" (H) (height inclusive of pallet) will also be subject to CTII 100 (series) Item 395.  

\* For shipments moving from TN to AL, AR, GA, IL, IN, KY, MO, MS, OH, SC and TN: or within and between AR, MO, MA and TN; or within and between AR, IL, IN, KY, MO & TN, the following special rules exceptions apply:

  - The height restriction will not apply.
- 7 Maximum pallet weight is 2,500 pounds. If the weight of a pallet exceeds 2,500 pounds, that pallet will be rated at 150% of the otherwise applicable "per pallet" rate. When shipment consists of more than one pallet and the weight of each pallet is not shown on the B/L, the method for determining average weight per pallet shall be to divide the total weight of the shipment by the number of pallets to get the average weight per pallet.
- 8 **Pallet rates will apply on individual shipments consisting of 1 - 8 pallets. Each individual pallet above 8 on a single shipment will be rated at 200% of the applicable Pallet Rate. For example, if a shipper tenders 12 pallets on a single shipment, shipper will be invoiced for 8 pallets at the applicable rate and for 4 pallets at 200% of the applicable pallet rate. For rates on shipments of 9 or more pallets, please call our Volume Quotes Department at 1-800-4 CENTRAL.**
- 9 **Any individual shipment WITH A TOTAL WEIGHT OF 20,000 POUNDS OR MORE will be subject to CTII 100 (SERIES) ITEM 385 VOLUME RATING and WILL NOT be accepted under the Pallet Program.**
- 10 Carrier's liability for cargo loss and damage will be equal to the actual value not to exceed \$1.00 (US Funds) per pound per package subject to a maximum of \$2,500 (US Funds) per shipment for U.S. origin shipments and not to exceed \$1.00 (Canadian Funds) per pound per package subject to a maximum of \$2,500 (Canadian Funds) per shipment for Canadian origin shipments.
- 11 Pallet rated shipments will be subject to all rules and accessorial charges contained in CTII 100 (series) Rules Tariff (including, but not limited to, COD Fees, inside delivery, lift gate charges, fuel surcharge, appointment, etc) with the exception that Items 395 Household Goods (except as noted) and 611 Cubic Capacity, 647 Notify and 890 Single Shipment of CTII 100 (series) Rules Tariff are not applicable to "per pallet" rated shipments.
- 12 Pallet Rates and charges apply to outbound prepaid, inbound collect and third party shipments for which the accredited participant is responsible for the freight charges. Rates and Charges apply between CTII Direct Service Points. However, the origin state or province must be a state or province included in the Pallet Program. This program does not apply to outbound collect shipments or Blind Shipments. Inbound rates are listed by the applicable Origin State.
- 13 Terms & conditions and prices subject to revision and future rate increases without notice.

#### Additional savings for customer: Pallet Incentive
